Adapta™ PediBench

MODULAR MANI / PEDI SYSTEM

The innovative, space-saving Adapta™ offers a banquet style pedicure seating with safe, easy client entrance with an electronically retractable pipeless jetted tub. Convenient workstations pull out from within the banquet itself, while the unit is framed with matching movable side tables. The bespoke Adapta™ PediSpace, precision crafted in Continuum's San Diego factory using the finest materials and Avonite® surfaces, creates a striking presentation in the finest of nail salons. A matching rollup Nail desk offers even greater versatility.
