

Pibbs Industries and California's Prop 65 Labeling Law

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov

Please see below for the warning label that is provided with each of the products manufactured by Pibbs Industries:

 **WARNING:** This product can expose you to chemicals including di(2-ethylhexyl)phthalate, which is known to the State of California to cause cancer or birth defects or reproductive harm. For more information, go to www.P65Warnings.ca.gov/furniture

California Proposition 65 is an initiative to address concerns about potential exposure to toxic chemicals and thus requires businesses to provide warnings to Californians for products sold that may contain stated chemicals or ingredients. The warnings are intended to help Californians make informed decisions about their exposures to these chemicals from the products they use and the places they go.
