 **WARNING:** This product can expose you to one or more chemicals, including lead, known to the State of California to cause cancer and birth defects or other reproductive harm.

For more information go to: www.P65Warnings.ca.gov.

California Proposition 65 is an initiative to address concerns about potential exposure to toxic chemicals and thus requires businesses to provide warnings to Californians for products sold that may contain stated chemicals or ingredients. The warnings are intended to help Californians make informed decisions about their exposures to these chemicals from the products they use and the places they go.
