Pre-installed

Step 1

1. Using the provided wrench, remove the three bolts from the back of the chair base as shown in the image above and set them aside for later use.

Step 2

1. Align the backrest mounting bracket with the holes on the back of the chair base.
2. Re-insert the three bolts that were removed in step 1 to secure the backrest in place.
3. Once properly aligned and secure, use the provided wrench to tighten all three bolts. Be careful not to overtighten as this may damage the threads or the chair base.
